## GREETINGS!

Learning to paddle whitewater rivers takes commitment, but kayaking lessons with NOC's celebrated Paddling School accelerates the learning process. Voted "Best Place to Learn" by *Outside*, NOC has taught more paddlers than anyone else, with 40+ years of experience going into every class. Our diverse instruction team focuses on your personal goals and shows you the pleasures of paddling whitewater. Our location on the Nantahala River in North Carolina offers quick access to the Southeast's best whitewater rivers for learning and skill development.

Kayak Summer Camps have been a favorite of NOC guests since 1980!

Our elite instructors provide summer campers with top-level whitewater kayaking lessons and equipment to learn with, while maintaining a supportive and fun environment on the water.

Camps are great for beginner to advanced kayakers, as paddlers are grouped by kayaking experience level, so no whitewater experience is required. Parents will have daily access to NOC's Instruction Team for progress updates or just to check in if this is your paddler's first time away from home. Give your young paddlers a reason to unplug and advance their skills this summer at NOC!

Our Paddling School team maintains instruction certifications from the American Canoe Association. Each member is also certified in Wilderness First Aid or above through NOC's own SOLO Southeast Wilderness Medicine program. We take our job both on and off the water seriously, especially when it comes to your kids, which is why each Paddling School team member also goes through SafeSport™ training.

NOC's Paddling School is taking additional precautions during COVID-19.

To review more information on NOC's COVID-19 policy, please visit **[noc.com/about/covid19](https://noc.com/about/covid19)**.

We look forward to introducing or furthering your child's skills in whitewater kayaking.

## MEAL INFORMATION

Individually-packaged lunches with a choice of ham, turkey, hummus or PB&J wrap/sandwich, chips, cookie, and snack are provided daily for all campers. Advanced Teen campers will enjoy meals from Relia's Garden when they are lodging on-campus, and will eat at local restaurants or cook at the campsite when on the road.

## COMMUNICATION INFORMATION

NOC's Main Campus has guest Wi-Fi available in most areas. Cell service is also good, depending on the service provider. At check-in, parents will be provided with contact information specific to that week in case you need to reach one of the instructors directly. Please refer to the Code of Conduct for additional information on electronic devices.

## LODGING INFORMATION

While lodging is not offered for our regular Summer Camps, NOC does have several different types of lodging available for families to book while in the area with our kayak campers. From mountain cabins to simple, rustic Basecamp housing, we are happy to discuss options with you. Participants of our Paddling School programs receive a discount on NOC lodging during their course. We also have many local lodging partners that we can refer you to as well.

Advanced Teen campers will spend their first couple of nights at NOC's main campus in Basecamp with hostel-style bunk rooms with shared kitchen and restroom facilities.

This camp will also spend two nights on the road in campgrounds near the areas we will be paddling. Exact campground information will be decided before each camp session, and details will be given upon check-in.

## FAMILY FUN FRIDAY

Family Fun Friday is for participants in our Summer Camps\*.

We invite family members to join us so that your paddlers can show off their new skills, eat lunch and celebrate the week's accomplishments.

We'll paddle a four-mile section of the Nantahala from Ferebee Park to NOC.

Family members that have their own equipment and intermediate skills is Class III whitewater with a combat roll are welcome to paddle along with the group. For those unable to paddle, you can follow the group by car. We will start at Ferebee Park, and there are several pull-off points that offer great photo opportunities as we make our way down river.

Lunch will be served after paddling, and is included for your camper and two family members. Additional family members are welcome to join us for lunch by making reservations in advance.

For those unable to join us on the river, but would like to attend lunch can meet at the picnic area by Big Wesser Riverside Bar between 12:45-1:15 p.m.

The afternoon will conclude with a short awards ceremony.

For rafting and/or lunch reservations, contact **Jae Jackson** at **828-488-7288** no later than 4:00 p.m. the Wednesday before your paddler's Family Fun Friday session.

Let us know if you will be paddling your own craft on the river trip.

*\*Family Fun Friday is not a part of Advanced Teen Camps. This day will end between 2 and 3 PM.*

## **Youth Programs: Code of Conduct**

We're excited that you will be joining us for a NOC youth program! Please take the time to review the following guidelines with your parent or guardian.

NOC's goal is to help people of all ages become competent, independent in their outdoor pursuits. Part of this learning process includes developing good judgment; activities can involve risk. Learning how to evaluate a situation and then deciding if you have the skills are as important as the forward stroke in kayaking. We expect each participant to take an active role in making good decisions for him or herself.

This judgment process starts with reading and signing all documents relating to course enrollment. We also encourage all participants and their parent/guardian to take this opportunity to discuss the course description, expectations for the program, and the guidelines of participant conduct below.

---

### **Guidelines of Participant Conduct**

Please sign below to acknowledge your support for and agreement with the guidelines stated here. As a participant in an NOC program, you are:

1. Not allowed to leave the group without permission.
2. Required to wear seat belts while riding in any vehicle equipped with them, and to not stand or move around while the vehicle is in motion.
3. Expected to use appropriate language, model good manners, and show respect for all students, staff, and instructors.
4. Expected to be responsible for their gear and personal belongings.
5. Required to leave electronic devices in the vehicle (or at home) during programs.
6. For Overnight Camps:
  - a. Expected to observe curfews imposed by the instructor(s)/supervisor(s).
  - b. Required to turn all electronic devices off at "lights out" each night.

***We ask that you leave valuable items at home.***

I, \_\_\_\_\_ (participant), have read and fully understand the above guidelines. I agree that NOC reserves the right to expel from the course, without refund, anyone who disregards these guidelines.

I, \_\_\_\_\_ (parent/guardian), have also read and fully understand the above guidelines for student conduct. I agree that if my child must withdraw from the program due to improper conduct, I will make arrangements for my child's immediate return home. Further, I have read the description of the course and fully understand that the program is a strenuous physical activity that involves risk.
