## GREETINGS!

Learning to paddle whitewater rivers takes commitment, but kayaking lessons with NOC's celebrated Paddling School accelerates the learning process. Voted "Best Place to Learn" by Outside, NOC has taught more paddlers than anyone else, with 50+ years of experience going into every class. Our diverse instruction team focuses on your personal goals and shows you the pleasures of paddling whitewater. Our location on the Nantahala River in North Carolina offers quick access to the Southeast's best whitewater rivers for learning and skill development.

Kayak Summer Camps have been a favorite of NOC guests since 1980! Our elite instructors provide summer campers with top-level whitewater kayaking lessons and equipment to learn with, while maintaining a supportive and fun environment on the water. Camps are great for beginner to advanced kayakers, as paddlers are grouped by kayaking experience level, so no whitewater experience is required. Parents will have daily access to NOC's Instruction Team for progress updates or just to check in if this is your paddler's first time away from home. Give your young paddlers a reason to unplug and advance their skills this summer at NOC!

Our Paddling School team maintains instruction certifications from the American Canoe Association. Each member is also certified in Wilderness First Aid or above through NOC's own SOLO Southeast Wilderness Medicine program. We take our job both on and off the water seriously, especially when it comes to your kids, which is why each Paddling School team member also goes through SafeSport™ training.

We look forward to introducing or furthering your child's skills in whitewater kayaking.

## FAMILY FUN FRIDAY

Family Fun Friday is for participants in our Summer Camp\*.

We invite family members to join us so that your paddlers can show off their new skills, eat lunch and celebrate the week's accomplishments.

We'll paddle a four-mile section of the Nantahala from Ferebee Park to NOC. Family members that have their own equipment and intermediate skills in Class III whitewater with a combat roll are welcome to paddle along with the group. For those unable to paddle, you can follow the group by car. We will start at Ferebee Park, and there are several pull-off points that offer great photo opportunities as we make our way down river.

Lunch will be served after paddling, and is included for your camper and two family members. Additional family members are welcome to join us for lunch by making reservations in advance.

For those unable to join us on the river, but would like to attend lunch can meet at the picnic area near Photo Finish/Adventure Center between 12:45-1:15 p.m. The afternoon will conclude with a short awards ceremony.

For lunch reservations, contact **Jae Jackson** at **828.488.7288** no later than 4:00 p.m. the Wednesday before your paddler's Family Fun Friday session.

Let us know if you will be paddling your own craft on the river trip.

*\*Family Fun Friday is not a part of Advanced Teen Camp. This day will end between 2 and 3 PM.*

## RIVER INFORMATION

## PARTICIPANT RESPONSIBILITIES

Adventuring outdoors is exciting and rewarding. It is one of the reasons so many people are attracted to outdoor recreation. **HOWEVER, THERE ARE INHERENT RISKS AND DANGERS THAT EXIST THAT CANNOT BE CONTROLLED OR REMOVED.** Some of those risks include encounters with wildlife, changing weather, hot and cold environments, changing water levels, objects under the surface of the water like wood and rocks, strong currents, uneven and slippery terrain, falling objects like trees and branches, and many other hazards that can neither be removed nor controlled. Nantahala Outdoor Center works very hard to set some of the highest standards in our industry for guide training, risk management, and safety. **HOWEVER, NO ONE, INCLUDING THE NANTAHALA OUTDOOR CENTER, CAN PROMISE OR GUARANTEE THAT PARTICIPANTS WILL BE PROTECTED FROM ALL RISKS AND DANGERS. EVEN WHEN REASONABLE DECISIONS ARE MADE BY ALL PARTIES INVOLVED, RISKS AND DANGERS EXIST THAT CAN RESULT IN SERIOUS INJURY OR DEATH.**

By voluntarily participating in these activities, you are doing so with the knowledge that these and many other dangers are present, many of which cannot be controlled or removed, and that you are assuming these risks.

For more detailed information, please visit [noc.com/booking-terms-conditions/](http://noc.com/booking-terms-conditions/).
